Please visit your Camp Outfitters By Lands' End Store for a complete line of camp apparel  
and supplies to fulfill some needs from the list below.

Because of the nature of this program, campers will be packing and transporting their luggage on a regular basis; please do your best to follow our suggested packing list and avoid over-packing! Of course, substitutions can be made for individual preferences. We recommend sending your camper with a list of everything you've packed. This will help him/her keep track of things as the group travels from place to place.

All items must be clearly marked with the camper's name. We highly recommend LabelDaddy products for this purpose. Akeela is not responsible
